

Target:
The yellow flag
(*note you need to wait for
the red light to stop before
you shoot)

Left Side: O.B.
Right Side: O.B.

Advice: Your tee shot will roll right from the left side leaving you in best position. It's slightly long, so hit it solid! The left side of this green is the friendliest, so aim accordingly.

Target:
Right of the bunker
and left of the yellow
flag

Left Side: O.B.
Right Side: O.B.

Advice: Note, it's 185 yards to the left edge of the bunker and 220 to the right. Don't get too greedy here and try to cut the corner too much as the trees are thick and unforgiving. Your second shot is pretty wide open, but best to choose a small target and concentrate rather than being complacent. Also add in some extra yards for the slight uphill.
