Target:
The pin!
(Note, if your tee shot finds the valley, you can shoot your 4th shot from the special forward tees)

Left Side: O.B.
Right Side: O.B.

Advice: The trees on the right can get in the way. This shot is usually into the wind, so add in a little more and club accordingly. This is a thin yet long green. Note, there is a hidden bunker beyond the one you see on the left around back.

Target:
The flag or slightly right of it

Left Side: O.B.
Right Side: O.B.

Advice: It is only 185 yards to carry the left side bunker, but beware, left of the cart path and you may kick O.B. so best to avoid it altogether! Right of the bunker is best. For your approach shot note there is no trouble left or long of the green and do add in about 10 yards for the uphill.

FORE! If your ball goes hard left over the trees yell FORE!
