

Matsusaka Country Club

Course Playing Guide

Course Information:

- All yardages are to the front edge of the green except on par 3's
 - Today's pin positions will be provided in a file that will be in your cart
 - The grain of the grass on the greens tends to flow away from the mountain
 - Suggested Long Drive holes are: #1 and #10. Near Pin holes are: #3 and 14
 - Please use the forward Yellow tees if your tee shot goes out of bounds. (playing 4 tees)
-

Target:
Just right of the yellow flag
Left Side: O.B.
Right Side: O.B.

Advice: From the tee the bank on the right gives you a nice members kick, so miss hit shots right will be okay. The bunker on the left is reachable after 200 yards from the tee. A long approach into the green is the safest strategy, but the left front of the green will leave you an easy uphill put to the cup.

FORE! If your tee shot goes left over the trees yell FORE! – That's the parking lot!
