

Target:
At the yellow flag or just
left of it

Left Side: O.B.
Right Side: O.B.

Advice: The left side is best as it will run and kick right. It's 195 yards to the bunker on the right and 240 yards to carry it. There is not much room on the right to cut the corner, so be careful or you will find trouble! Don't get too greedy here as a second shot to your favorite yardage for your approach shot is the smart play. Your approach shot will roll right from the left on this green.

Target:
Yellow flag or slightly
left of it

Left Side: O.B.
Right Side: O.B.

Advice: Your tee shot will tend to roll right. You can cut the corner on the right, but check the winds first. The left side of this fairway gives you the best angle into the green. If you keep your approach into the green slightly right and long you will avoid the nasty guard bunker on the front right.
